THS Clay Target League Update!-Kerissa Schaffer

The THS Clay Target League will begin its 2026 eight-week season on March 29th. The program is part of the ND USA Clay Target League and is open to students in grades 6-12 who have successfully completed Hunter Education. This year's squad has a record 43 trap shooters – 28 of whom also compete in skeet. Sundays are game day at the Northwest Sportsman's Range, just north of Tioga dam. Athletes test their focus, skill and endurance

- often in changing weather conditions. The mental toughness, discipline, and teamwork required in clay target shooting is growing these athletes far beyond the range. Students are gaining confidence, perseverance, a sense of camaraderie and memories that will stick with them for years to come. Tioga's participation in the ND Clay Target State Tournaments is expected to reach a record high again this year. The ND Clay Skeet Tournament will be held in Bismarck on June 13, followed by the ND Clay Trap Tournament in Horace on June 20th. None of this would be possible without the incredible support of our community. We extend our sincere thanks to Northwest Sportsman's Association, business, private donors, volunteers, and families who continually give their time and resources to make this opportunity available for our students. Your support does not go unnoticed, and we are blessed to be a part of a community that believes in investing in its youth. Spectators are welcome! Grab a chair, some ear plugs, maybe a warm blanket, and come watch these young athletes in action as they break clays.

Alessia's Bloom Flower Shop Update!- Angie Contreras

My name is Angie Contreras, I'm 25 years old and a mom of two beautiful babies. Because of this, I decided to create Alessia's Bloom, a business where I make bouquets and arrangements of fresh flowers. I've been creating beautiful bouquets from home for a year now, all while taking care of my babies. Now, I'll not only be making bouquets from home, but we'll also have bouquets and floral arrangements available every day inside "Hidden Beauty Salon & Spa." You'll find a refrigerator with some of my creations so you can give them as gifts and make your loved ones happy. They are bouquets made with lots of love and dedication, and I'm happy to be part of the Tioga entrepreneur community. A few words from owner of Hidden Beauty Salon & Spa Jessica Nygaard! "We have flowers in the cooler again, we are so happy & thrilled Alessia's Bloom will be keeping our flower cooler stocked. She is the sweetest local florist who has been creating beautiful arrangements out of her home in Tioga for the past few years, and we're so excited to share her flowers with you here. Stop in and grab a bouquet!" Follow them both on social media at Hidden Beauty Salon & Spa, and Alessia's Bloom. Call me @ 1-346-813-1941 or follow on Facebook Alessia's Bloom
